Dear Mr. Miller,

Thank you for the outstanding work you did at the 40<sup>th</sup> St. Church of God in Philadelphia. I had the opportunity to visit the church after you completed the work and I was very excited to see how well this difficult project came together.

Beyond the fine workmanship, I appreciate the ease with which our organization was able to work with you. I am certain that engaging in a job where the costs will be paid by a third party is outside the norms in your industry, but I appreciate that you were willing to cooperate with us. In addition, thank you for keeping me up to date on the project since I was obviously unable to be actively involved.

Please feel free to use the Luke 12:48 Trust as a reference and you may have any potential customers telephone me directly if they have any questions about the workmanship provided by your firm.

May God bless you and your company.

Because of Grace,

D. Michael Stoltzfus  
President
